I have never had a problem at Valley Falls. The USPS should be embarrassed by the service at Diamond Hill. I will no longer use the USPS to ship my Ebay items if the Valley Falls branch is closed. I ship items 5 days a week, I refuse to use any other branch. I will use UPS if you close this branch.

Pursuant to 39 CFR 3001.12(a)(2)

Dear Commissioners:

I am a resident of Valley Falls in Cumberland Rhode Island. I wish to submit my comments regarding the recent USPS decision to close my local Post Office Branch located at 197 Broad Street on July 8 2011.

I am unable to file my comments regarding this decision via the electronic process because I do not have internet access and/or access to a computer. I respectfully request waiver from the electronic filing process. As per 39 CFR 3001.12(a)(2) I am afforded the right to have my comments and complaints submitted and entered via First Class Mail in support of my community's appeal to the commission to reverse the recent USPS decision. My major concerns regarding the closing of my local Post Office Branch is as follows:

*I use the Diamond Hill post office for all my postal needs. The traffic is always congested in that area. The post office has inadequate parking now for the people they service now. There are always long lines and I wonder how they would handle the overflow from the Valley Falls post office closing. My understanding is that Valley Falls still has a 3 year lease that would have to be paid even if they closed the post office. I don't think this USPS decision is being made with the needs of the people in Valley Falls or Diamond Hill areas best interest.*

Thank you for your consideration.

I am a resident of Valley Falls in Cumberland Rhode Island. I wish to submit my comments regarding the recent USPS decision to close my local Post Office Branch located at 197 Broad Street on July 8 2011.

I am unable to file my comments regarding this decision via the electronic process because I do not have internet access and/or access to a computer. I respectfully request waiver from the electronic filing process. As per 39 CFR 3001.12(a)(2) I am afforded the right to have my comments and complaints submitted and entered via First Class Mail in support of my community's appeal to the commission to reverse the recent USPS decision. My major concerns regarding the closing of my local Post Office Branch is as follows:

THIS BRANCH IS WITHIN WALKING DISTANCE FROM MY HOME.  
THERE IS ADEQUATE PARKING AND THE SERVICE IS FAST AND FRIENDLY.  
I FEEL SAFE GOING TO THIS BRANCH. I WOULD HAVE TO  
INCONVENIENCE SOMEONE TO USE THE CHAPEL & CORNERS BRANCH.  
I AM 82 YRS. OLD AND VALLEY FALLS IS EASIER ACCESS FOR ME AS  
THERE IS LESS TRAFFIC TO DODGE IN THE PARKING LOT- I DON'T  
HAVE TO CROSS IN FRONT OF CARS LOOKING FOR A PARKING SPOT.

Thank you for your consideration.

*Valley Falls PO is within walking distance of my house making it convenient to go to no matter the weather. To be forced to use my \$4.00 a gallon gas to go to a different branch where there is little parking available as well as ridiculous traffic congestion is unacceptable. I consider it an insult <sup>that</sup> you are closing one this 1 branch to close in the whole state of R.I. Because it is the older part of town does not mean it should be <sup>treated</sup> with disrespect.*
